OLD BUSINESS

Amendment to minutes of April 22, 1988 meeting: Wayne Littleton instead of Larry Rushing on scholarship committee.

NEW BUSINESS

Bylaw change for the office of president from 1 to 2 years:

Suggestions: 1. Make all offices 2 year terms.
2. Have all 2-year terms overlap to preserve continuity.
3. Have all officers elected and slated on a progressive system "move up through the ranks."

These suggestions would require rewriting of the bylaws. Discussion followed.

MOTION: To adopt the bylaw change as written with one word change from "all remaining officers" to all "other officers."

Motion seconded and passed.

A committee was proposed for rewriting Article IV D 1, and it was suggested that members be in close geographical location to each other for convenience. Volunteers will be obtained by phone.

Inactive Member Category

In discussion strong objections were made because of the following:

1. It puts young members on an inactive status at an early age
2. It would be just as easy to change the number 100 in the bylaws

MOTION: To not approve the inactive member category.
Motion seconded and passed unopposed.
Financial Status

Discussion of contributions, use for scholarships, attendance at meetings, and ways to increase participation of the membership.

MOTION: That this matter to be considered for the next meeting. Motion seconded and passed unopposed.

Honorary Member Category

Discussion.

MOTION: To make Betty Cleveland an Honorary Member of the Academy. Motion seconded and passed unopposed.
