Professor - Cynthia Tang Distinguished Professor in Computer Engineering

The Department of Electrical and Computer Engineering (ECE) at the Missouri University of Science and Technology Science and Technology invites nominations and applications for the Cynthia Tang Missouri Distinguished Professor in Computer Engineering. The position is tenured at the Full or Associate Professor rank. The endowment provides unrestricted research funds and the salary is commensurate with the excellence of the candidate being sought.

The ECE department has 35 faculty members, and research expenditures of approximately $5.5M in the past fiscal year. More information about the department and campus can be found at http://ece.mst.edu.

The Computer Engineering program has research strengths in autonomous and cyber-physical systems, networking, high-speed digital design, and computational intelligence, which directly relate to university-wide strategic initiatives in the interdisciplinary signature area of Smart Living. The university has been recognized by the National Security Agency as a Center of Academic Excellence in Information Assurance Education (CAE-IAE) and Center of Academic Excellence in Information Assurance Research (CAE-R). We seek a candidate with the capability to complement and enhance the existing strengths, particularly as they relate to security, reliability, or more generally, assurance of information and systems. Exceptional candidates from other areas will also be considered.

A Ph.D. in Computer Engineering or a closely related discipline is required, along with an international reputation for research excellence, a commitment to first-rate teaching, and strong mentorship and leadership qualities. Questions and nominations should be directed to Dr. Kelvin Erickson, Professor at kte@mst.edu.

Missouri S&T is an affirmative action/equal opportunity employer and is responsive to the needs of dual-career couples. Learn more about our worldwide reputation for excellence, strategic plan and core values at http://www.mst.edu/about/.

Interested candidates should submit an electronic application (position #00030895/job id #22776) to Missouri S&T Human Resources career site for academic postings at http://hr.mst.edu/careers/academic/.
