

Selected Projects

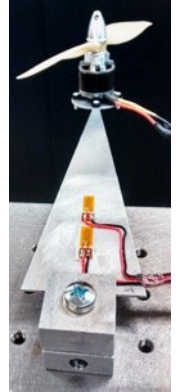

Steve E. Watkins
Professor of ECE

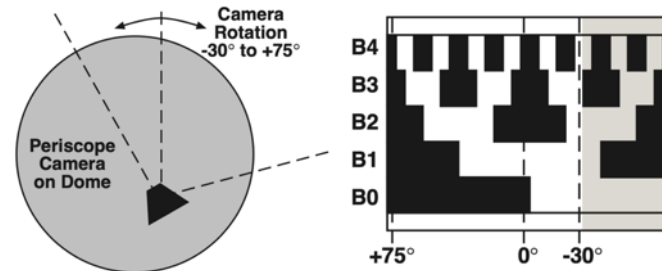

Fellow SPIE & Sr. Mem. IEEE
See Campus Profile and Papers at
<https://works.bepress.com/steve-watkins/>

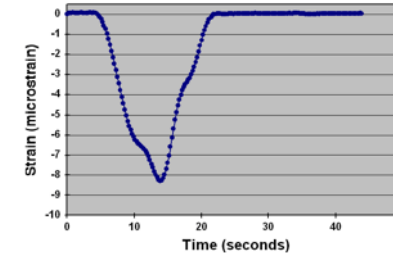

**Feature Detection & Processing
For Aerial Images**

UAV Systems Testing

**Sensor Instrumentation & Processing
With Gray Scale Encoder**

**Health Monitoring of Structures
With Fiber Optic Sensors**

Research Interests:

Smart Sensor Systems, Sensor Instrumentation, Fiber Optics, Imaging, and Engineering Education
